

PASTOR RESIGNS

DR. E. H. WILLISFORD SEVERS HIS CONNECTION WITH CONGREGATIONAL CHURCH

At the Wednesday evening prayer service the First Congregational Church of this city accepted the resignation which its pastor, Dr. E. H. Willisford, tendered last Sunday morning, after having completed the ninth year of his pastorate here. This was in accord with a notice given the church several months ago. The resignation will be effective in October, but the doctor will be practically free after August first.

Dr. Willisford was the organizer of the church and has always been identified with it. His severance of church relations will therefore surprise many persons in Glendale. During his ministry the present church edifice and site have been secured and paid for, the church now owning its property free of encumbrance. Three hundred and twenty-five members have been received into the church and five hundred into the Sunday School.

Dr. Willisford had come to feel that a new and modern building adequate to the work he believes it should carry on is essential to the prosperity and development of the church. For this purpose \$26,000 in cash and pledges was received, but the increased cost in building made this amount insufficient to erect such a building as was desired, and the church was not willing to proceed.

Mr. Willisford indicated he had accomplished all it would be possible for him to accomplish with the (Continued on Page 6)

Temple, on Orange street, Monday afternoon, and considered plans for a bazaar to be held in the late fall. Mr. and Mrs. Dale Vaughn and their little sons, Stanley and Vincent, have joyfully welcomed a baby sister, born Wednesday afternoon, who has been named Dorothy Virginia Vaughn. She weighed 8 3/4 pounds and is a fine child. Mr. Vaughn is reader of the Glendale First Church of Christ, Scientist.

CALL TO SERVICE

RED CROSS ASKS WOMEN TO RESUME WORK FOR THE NAKED IN EASTERN EUROPE

The chairman of the Glendale Chapter of the American Red Cross is in receipt of a communication from the manager of the Pacific Coast Division enclosing copy of a letter received from national headquarters in Washington urging all chapters to resume work in the manufacture of garments to be used for the relief of the destitute and suffering in Central and Eastern Europe. The Washington instructions say:

"Recent reports from Europe show clearly that in the eastern and central countries disease, starvation and destitution are almost everywhere existent. Through its representatives in the field the American Red Cross is using such resources as it has in fighting epidemics and distributing clothing and foodstuffs, but every day it becomes more and more apparent that resources in garments, particularly in layettes, must be increased if any material progress is to be made in relieving conditions there. If we sit quietly by and allow typhus and other epidemic diseases to spread over Europe and permit coming generations to grow up undernourished and unfit to meet their duties, the whole health and economic structure of the world will be affected.

"You are therefore urged to lay these conditions before your chapters and invite them to undertake certain simple forms of production. Distressing conditions prevail in homes and maternity hospitals and the need for a large supply of layettes is urgent."

The most urgent need appears to be for outgoing flannel garments for young children and babies, some of

GOUGH-THEDE

WELL-KNOWN GLENDALE GIRL WEDS YOUNG BUSINESS MAN OF IDAHO

A pretty home wedding was celebrated Wednesday evening at the home of Mr. and Mrs. G. E. Thede at 225 North Isabel street when their daughter, Miss Eva Thede, was united in marriage to Veloy Gough, a young business man of Idaho Falls, Idaho.

The pretty bride wore her mother's wedding gown of brocaded creme white satin and also her mother's wedding veil crowned with orange blossoms. She carried a bride's bouquet of Cecil Brunner roses. Attending her as bridesmaid was Miss Bessie Carney gowned in white crepe de chine and carrying yellow rosebuds. Ernest Thede, brother of the bride, was best man, and Dr. Clyde Monroe Crist officiated. The wedding march was played by Miss Pearl Hunsberger and following the ceremony vocal numbers were given by Miss Isgrig and Tom Middlekauff.

After receiving the congratulations of their friends and partaking of the wedding supper, Mr. and Mrs. Gough left for a brief honeymoon trip from which they will return to Glendale before leaving for their home in Idaho Falls.

The bride has been a resident of Glendale for fourteen years. She has attended the public schools here and has a large circle of friends, particularly among the young people identified with the First Methodist Church, especially the choir, of which she has been a member. She was the recipient of many beautiful gifts and will be missed in the community.

Those present were: Mr. and Mrs. David Carney and daughter Miss Bessie Carney, Mr. and Mrs. Joe Purrier, Mr. and Mrs. Henry Freed, Mr. and Mrs. Fred Tarr, Verne Nyman, Mrs. Nyman, Dr. Clyde Monroe Crist, Misses Olive Pratt, Margaret McOmber, Pearl Hunsberger, Zelma Lindley, Carrie Cornwell, Florence Benjamin, Virginia Thom, and Delso Gough, sister of the bridegroom, Mrs. Maynard McOmber, Tom Middlekauff, Miss Isgrig, Mr. and Mrs. G. E. Thede, Miss Lavinia Thede and the bride and bridegroom.

HONOR AWARDS

STUDENTS RECEIVE PINS AND CUPS AND PENNANTS PRESENTED TO GLENDALE HIGH

At a High School Assembly, held Wednesday, which was most important from the school viewpoint, honor pins and pennants won during the year were bestowed. Paul Hutchinson, secretary of the Debating Department, presented to the school the cup won by the debating team, and Jack Jenkins the cup he had won as the Oratorical Champion of Southern California, and from the hand of W. D. Root, head of the department, Jack received the gold pin to which he was entitled as the school's debating champion. All the captains in athletics presented to the school the pennants their teams had won during the year, and it was an occasion calculated to fill with pride the breasts of students and faculty. As usual all members of the cabinet received pins in recognition of efficient service. Students rewarded were:

Seniors, gold honor pins—Murray Longley, Emily Blackman, Virginia Chappius, Fern Curtis, Edna Farmer, Loys Griswold, Helen Ingledue, Forest Jordan, Freda Knapp, Dorothy Shaw, Dorothy Sherman, James Smith, Henrietta Sommer, Alberta Stoddard, and Erwin Weaver.

Bronze honor pins to seniors—Esther Besant, Erma Bradshaw, Manola Budd, John Jenkins and Louise McKee.

Bronze pins to mid-year classes, —B11, Agnes Brown, Carolyn Gray, Ruby Haun, Stephen Fairchild and Stanley Walker; B10, Maurine Bettis, Annie Fuelscher, June Hulbert, Berdina Le Mohn and Iris Notzger.

whom are now being wrapped in newspapers for want of other covering. The Pasadena and several other chapters are already at work.

I am, therefore, issuing a call to all members of the Red Cross, particularly those connected with the Production Department. Ladies who are willing to sew at home or elsewhere in groups are asked to report to me. The chapter will finance this work from the funds in its treasury.

CANDIDATE LINE-UP IS CLEARING

ISSUES AND SUPPORT SHARPLY DEFINED; PRESIDENT IS MORE INTERESTED IN PLATFORM THAN SUCCESSOR

(Special Service to Glendale Evening News)

SAN FRANCISCO, June 24.—Taking advantage of the absence of William Jennings Bryan, who is leading the anti-administration forces at the Democratic convention, Senator Carter Glass today began conferring with numerous leaders regarding the Democratic platform and urging the planks which the president wants.

He gave the impression that the president is far more interested in the platform than he is in the candidates. He indicated that the president opposes any mention of the liquor question or the Irish question in the platform.

In the meantime, the candidate line-up began clearing. Apparently Attorney General Palmer will follow much the same tactics that were used by General Wood in staging demonstrations and doing elaborate campaigning. He expects to poll 500 on the first ballot.

Governor Cox counts on solid support from the middle west with some eastern and western support and will not concede Palmer's leadership on the first ballot. Edwards will make his entire fight on a personal liberty and state rights platform. Ambassador Davis' campaign is entirely a dark horse movement thus far and aimed to secure second choice support. Senator Owen claims that his strength now lies with the progressive element and that Bryan supports him. McAdoo's position remains that of an unwilling compromise candidate. Vice President Marshall's friends are urging him on the ground that he is the only man who can unite all factions of the party. Friends of Carter Glass and Secretary Colby each claim their man is Wilson's logical heir.

OIL STOCK FRAUDS

FEDERAL GRAND JURY AT NEW YORK INDICTS FIFTY INDIVIDUALS AND CORPORATIONS

(Special Service to Glendale Evening News)

NEW YORK, June 24.—The federal grand jury today indicted fifty individuals and stock firms and corporations as the opening gun in the drive against alleged misrepresentations in the sale of oil stocks.

The indictments charge use of the mails to defraud. Officials claim the public has been defrauded of over a million dollars by improper oil operations. They said that postal inspectors are now hunting up the men named in the indictments from Maine to California.

Among those indicted are: Ranger Oil Company of Texas; Curtis-Packer Company, New York Stock Brokers Company, United States Securities Company of Connecticut, W. P. Williams Oil Company, Day-Polick Company, Crown Oil Company, B. C. Hole of California, president of the Crown Oil Company, Great Western Petroleum Company, George Lamb Company, and numerous officials of the indicted concerns.

One charge is that the Lamb Company bought oil stock for \$1 per share and sold it immediately for \$5 per share.

LONDONDERRY SITUATION DESPERATE

SHOPS ARE CLOSED FOLLOWING A NIGHT OF TERROR; FOOD SUPPLIES RUNNING SHORT

(Special Service to Glendale Evening News)

LONDON, June 24.—J. Hamer Greenwood, Secretary for Ireland, today received another urgent message from Londonderry saying the situation there is desperate and it was feared it would grow worse. Food supplies were running low and a shortage of gas threatened to throw the city into darkness.

DUBLIN, June 24.—Comparative quiet reigns in the city of Londonderry today after a night of terror and street fighting. All shops in the city are closed. Rioting continues in the outlying districts. No authentic estimate of the number of dead is obtainable. Sandbag barricades have been erected on the streets.

RUSSIAN AUTHORITY NULLIFIED

ARBITRARY ASSUMPTION OF POWER BY JAPANESE IN VLADIVOSTOK FOLLOWING MURDERS

(Special Service to Glendale Evening News)

SHANGHAI, China, June 24.—Following the murder of three members of the Vladivostok government by followers of General Semenov, the Japanese authorities of Vladivostok have issued stringent regulations demanding that the Russians disarm; that Japanese be not harmed; asserting the Japanese right to arrest Russians; forbidding open air meetings and establishing a censorship. It is arbitrary nullification of Russian authority, according to dispatches.

JOHNSON RESERVES HIS FIRE

(Special Service to Glendale Evening News)

SAN FRANCISCO, June 24.—Friends of Senator Johnson, who arrived here from Chicago, declared today that he is holding his fire and in due time will jolt stand-pat Republicans "because of the action of the Chicago convention." Johnson refused to talk politics.

SPANISH DINNER

F. P. NEWPORT ENTERTAINS TRACTOR SHOW BOOSTERS IN OLD VERDUGO HOME

Accepting a cordial invitation from F. P. Newport a number of Glendale citizens met with representatives of the farm press of the state and officers of the coming National Tractor Show last evening in the old Verdugo homestead in Selvas de Verdugo and partook of a genuine old-time Spanish dinner of several courses. It was perfectly prepared and ideally served in surroundings that carried one in fancy back to the days of the Spanish hidalgos. Mr. Newport presided as host and acted as chairman of the meeting which followed. W. W. Rainey, chairman of the Tractor Show Committee, was the spokesman and he laid before the gathering facts showing the magnitude of the show that is coming to Glendale. He frankly stated that the city would be expected to attend to lighting and policing the grounds and to loan some of its water pipe, the Newport Co. promising to supply the water. Substantial aid in raising the large advertising fund needed, from \$50,000 to \$100,000, was also asked of business men and citizens of Glendale, as by this means our little city will become known all over the world. Mr. Newport, it was announced, made an initial contribution of \$1000 to this fund.

Some of the other guests present spoke along similar lines. The Glendale citizens present were: City Manager Watson, Roy L. Kent, A. T. Cowan, Mr. Harlow, John W. Usilton, V. M. Hollister and Lee Thomas. The show will be held in September, presumably from the 20th to the 26th.

HOME FROM DALLAS

MISS ALICE FRANK RETURNS FROM SOUTHERN CITY AND HAS STRENUOUS TRIP

Miss Alice Frank, whose return to Glendale from Dallas, Tex., has been anticipated by her mother for several weeks, arrived Wednesday afternoon and is happy to be at home again. She enjoyed her stay in the southern city which is a great business center and had to promise her friends there to return before they would willingly let her go. During her journey she experienced great heat until she reached the California boundary and had rather a strenuous time. She had made her train reservations three weeks before starting. Owing to the restrictions and the misinformation of railroad officials she missed connections at a junction point because her train was late and when she reached Newton, Kansas, where she was to transfer from the Texas Pacific to the Santa Fe, she was told that owing to travel congestion she would have to wait there eight days. Others were stranded in like manner, Billy Sunday and his party being of the number, but by some fortunate good chance she was permitted to board the Kansas Special bringing a political delegation from that state to the Democratic National Convention at San Francisco. On the train were many celebrities including Secretary Daniels to whom, through the kind offices of a mutual friend, she secured a personal introduction. The secretary entertained the passengers in his car for about an hour with funny stories.

Everywhere she found the cities overfilled with people and but for the intervention of a friend who sent her to a private home, she would have been unable to get accommodations in Fort Worth, where she had to spend one night, because the hotels were all filled.

HOTEL POSSIBILITIES

Louis Zeisse, an Eastern man interested in a number of hotels, has been on the Coast for a few weeks looking up the possibilities in this line in cities suburban to Los Angeles. Glendale seemed to strike him as the city most needing a large commercial hotel and he proposes, if the business men will give him the proper encouragement and backing he will interest Eastern capital in putting up a hotel suited to Glendale's needs. He is not asking any bonus, B. F. Bourne, with whom he talked fully, declared, but only the assurance of the business interests of the city that they would back up such a project.

WEATHER FORECAST: Fair tonight and Friday, except probably cloudy Friday morning.

BOY BURGLAR TAKEN

SANTA BARBARA YOUTH, WARD OF JUVENILE COURT, IN TROUBLE HERE

On June 9th City Marshal Stanley received a letter from Otto E. Kramer, Probation Officer of the Juvenile Court of Santa Barbara, to the effect that one of their boys by the name of Francis Dack had been given a hacksaw by some friend on the outside and had sawed his way to freedom. As the boy had formerly lived in Glendale, Mr. Kramer thought he might return to his former haunts so he asked Chief Stanley to look out for him. The request was complied with and a quiet search was begun for the boy. On the 21st a boy bought of R. M. McGee, 614 East Broadway, a \$10 pair of leggins on approval, then failed to either bring them back or pay for them. Tuesday a boy was arrested with his arms full of candy and other articles which it later appeared he and a boy companion living in Glendale had stolen from the American Legion hall over the Bank of Glendale, 104 North Brand Blvd. Chief Stanley charged the boy with being Francis Dack, which he stoutly denied, but when taken before Mr. McGee the latter at once recognized him as the purchaser of the leggins. He had given his name at police headquarters as Geo. Gilbert and said he was living at 515 S. Central Ave. The Santa Barbara authorities were at once notified and they wired instructions to hold the boy, as they would at once send an officer after him.

Entrance had been gained to the American Legion hall by smashing in a window with a carpenter's hammer.

The articles taken were 6 boxes of fine chocolate candies, worth \$9, a \$12 gold-plated shaving set, some cigars and cigarettes.

Chief Stanley says that this is the fifth ward of the Juvenile Courts to pull off burglaries in Glendale. The other four were probationers, three of them Glendale lads sent down there for thefts, kept for a few days or weeks and then released on good behavior, only to begin at once another career of crime.

ODD COINCIDENCE

Dr. C. W. Taylor, one of the physician brothers who recently located for the practice of medicine and surgery at 210 East Broadway, related to an Evening News reporter a rather odd coincidence met with when he had the telephone put in the office. For many years his office phone in Decatur, Ill., was No. 333 and without any suggestion from him his office phone just installed by the company here is No. 333.

FIRST AID

MISS GEORGIA FENTON WRITES OF MINISTERING TO WOUNDED IN TRAIN WRECK

Mrs. Amanda M. Fenton of 127 South Belmont street is in receipt of a letter from her daughter, Miss Georgia Fenton, who was in the Santa Fe wreck near La Junta at 7:18 a. m., June 15th, telling her of the accident. Miss Fenton wrote as follows:

"Arrived in Chicago at last. Had a terrible wreck, ten being killed and forty-two injured—at least those are the ones that I saw, helped to dress and carry out. It was a terrible sight. One engine was completely ruined and seven cars smashed to splinters, the dining car being the worst; two cooks were killed and others killed or injured.

"I held one boy while a doctor took a plain needle and thread and sewed his jaw together. That was only one of the many. I covered two of the dead and helped give ether to lots of the suffering ones. On the relief train, which took us to Chicago, I had charge of two bodies and a man suffering with a broken leg, whom I have just left.

"My coach was the next to go over. They piled up one upon another. Most all the passengers were cut terribly. I was badly shaken up but will feel a million times better when I get a night's sleep. The worst sight to me was the doctor who was killed in our coach whom I had become acquainted with."

Miss Fenton also wrote that she had been given \$250 by the Santa Fe for her services at the time of the wreck.

Miss Fenton is quite a wonderful young woman, cool-headed and resourceful in emergency as her conduct demonstrated in this terrible catastrophe.

CONSTRUCTIVE POLICY

It has been the aim of the Glendale Evening News to follow a constructive policy so far as is concerned the character of the reading matter and advertising given space in its columns. The management will not intentionally give publicity to any project that he positively knows is being promoted on a deceptive basis. Street gossip and "some one told me so" do not give sufficient cause for the management to permit a campaign of destructive publicity to be carried on through the columns of the paper.

ANNOUNCEMENTS

TEACHERS' SALARIES

Here's hoping that the Los Angeles school board will see its way to do something near the adequate thing in regard to increasing the salaries paid to the teachers in the schools. If the experience of the neighboring state of Oregon is any basis for judgment they may find that a rather radical move to adjust salaries to meet present conditions will not prove so unpopular with the taxpayers as some persons are led to fear.

In Oregon last month the people voted on a referred measure to levy a two-mill tax on all the property in the state as additional maintenance for the common schools and a tax of one and two-tenths mills for higher education, both in addition to the present levies. In the case of higher education this was more than doubling the existing appropriations. When election day came on May 21 it was found that both measures had passed by majorities of nearly four to one, one of the most overwhelming mandates that had ever carried an appropriation measure. The common school measure passed in every one of the 36 counties by substantial majorities, and the measure for higher education in every county except one.

The disintegration of the schools in all states in the last few years has taken place so gradually that few persons have realized how great has been the loss or how threatening the menace to the future efficiency of the system. There are always applicants for every position that pays a salary, and there always will be. For this reason it is easy to overlook the fact that the most desirable kind of teacher—the kind that wants to make education his life work, wants to prepare himself adequately and rise to the highest professional standards—is becoming very few in numbers. Unless some movement at least as radical as the successful Oregon project soon spreads over the country teaching will fall to the status of a stop-gap occupation. For the present the situation is precariously saved by the fact that some professional enthusiasm still exists and many good teachers are postponing the seeking of other means of livelihood in the belief that the general public will display sufficient imagination, wisdom, courage and self-sacrifice to apply a remedy in the near future.

But such enthusiasm cannot be counted upon to attract an adequate supply of the ambitious type of young men and women to a profession that makes the founding of a comfortable home almost an impossibility.

Almost any other profession means in a few years a bungalow, a wife and children, an automobile, a savings account and life insurance policies. But teaching does not.

How about the future? Cheap schools, cheaply taught, turning out a cheap-minded citizenship. A mob-minded public in the next generation.

It should be prevented.—Summer Session Californian.

MARY JANE GILLETTE TENT

The recently organized Mary Jane Gillette Tent, Daughters of Veterans, had a big meeting Tuesday night at its new headquarters in Hurtt Hall on East Broadway. About fifty were present including Sons of Veterans and a few members of the N. P. Banks Post. The business session was followed by a social evening devoted to games, music and dancing, after which refresh-

ments were served, the few cakes left being auctioned off with much merry competition on the part of bidders and yielding quite a sum for the treasury of the Tent. Mrs. Cora Jones presided and members are greatly pleased with the convenient new meeting place.

SPEEDING FORD CRASHES INTO ANOTHER CAR AT DANGEROUS CROSSING

There was a near tragedy at the crossing of Los Feliz Road and Central avenue Tuesday forenoon, and all apparently because one man wanted to show another that he could pass him in his Ford on a very crowded street. P. F. Schumacher and wife of Eagle Rock were on their way to Los Angeles via Colorado street and Central avenue through Glendale. Mrs. Schumacher driving their Mitchell roadster. As they neared Los Feliz Road Mr. Schumacher glanced to the right and saw two cars coming east at racing speed, one apparently having just passed the other. He at once called his wife's attention to the coming cars, but it was too late then for her to stop before reaching the crossing so she swerved to the left and just then the Ford, with rear wheels locked and sliding, struck the Schumacher car and shoved it full 20 feet, clear up over the curb. Luckily, it did not turn over, but the side of it was caved in. The Ford was considerably damaged, also. Speed Officer Trautwein and another policeman were sent to the scene as soon as notification of the accident was received at the city hall and they found by actual measurement of the path of the sliding wheels of the Ford that it had skidded 36 feet. Both emergency and foot brake had been applied by its driver, J. H. Paterson, of 124 South Flower St., Los Angeles, when he saw that a crash was inevitable, yet he testified when brought before Judge Lowe that his machine was moving at a rate of only 15 miles an hour. After hearing the testimony of the officers and of Mr. and Mrs. Schumacher, Judge Lowe fined Mr. Paterson \$50, with the alternative of spending 50 days in jail. He chose the former and wrote out a check for the amount at once. The car he had been racing with sped away during the excitement following the crash and the identity of its driver was not learned.

Mr. Schumacher is a retired banker of Eagle Rock. Both he and his wife declared that but for her swerving their car to the left it would have been struck a direct blow and overturned, with probably fatal results.

WHAT THE CHURCHES ARE DOING

Editor Glendale Evening News: Several years ago Cardinal O'Connell of Boston decided that the yearly muster-roll of converts under his jurisdiction should all be confirmed on the same day. As a result, on the concluding day of May this year more than a thousand persons of all ages and of many races, white, yellow, and black, received the Sacrament of Confirmation in the Boston Cathedral. It was the largest class of converts ever assembled at one time in the history of the diocese; and its size must have been a source of pious joy, not only to Cardinal O'Connell and the devoted pastors whose energetic zeal is responsible for the conversions, but to the American Christian body generally. As a graphic response to the frequent inquiry of pseudo-philosophers, "What are the churches doing?" this spectacle of a thousand new members drawn from the ranks of sectarians, indifferentists, and "nothingarians" in one only of the hundred Catholic dioceses in this country is worth while emphasizing. At the very least, such large additions to the Fold of the Good Shepherd must be recognized as a clear sign of steady, healthful growth.

SWEET POTATOES AND PEANUTS AT 615 SOUTH ADAMS

W. E. Palmer recently moved from Sycamore Canyon to the rear house on S. H. Williams' 2 1/2 acre tract at 615 South Adams. Wishing to use all the ground, which is partly set to oranges and other fruits, Palmer and Mr. Williams decided to put out sweet potato plants and peanuts as the sandy soil is very fine for both. So they bought 10,000 plants of the yellow sweet potatoes and 100 lbs. of peanuts and put them in the ground three weeks ago. Today the tract is the admiration of passersby, so amazingly have the plants thrived. A big crop of both sweet potatoes and peanuts is expected by Mr. Palmer and Mr. Williams, who are giving the plants the most assiduous cultivation and irrigation.

REMINISCENT

INCIDENT IN JUDGE LOWE'S COURT LEADS TO REMINDER OF EARLY DAYS

About three months ago there appeared before Judge Lowe a very pleasant-mannered gentleman charged with exceeding the speed limit. He pleaded guilty and was assessed a fine of \$5.00 which he cheerfully paid, at the same time commenting favorably on the conduct of the officer who arrested him and the judge who fined him, saying that he had been accorded courteous, gentlemanly treatment by both. With him was a companion, who, after the exchange of courtesies had ended, stepped up to Judge Lowe and recalled himself to his memory as E. G. Tufts, of the firm of Tufts & Lyons, Los Angeles, whom Judge Lowe had known years before. As an aftermath of the above incident Judge Lowe was surprised to read in the "Chip-Shots from Many Fairways" department of the June number of "Pacific Golf and Motor," conducted by Mrs. Jane Frederickson, wife of the judge of that name and a long-time friend of Judge Lowe the following article:

"Golfers who ten years ago used to trek to Catalina for its many golf tournaments staged by Manager Pete Lubetich of the Catalina Club, were always welcomed by F. H. Lowe, manager of the Catalina Island Company, who as a host was incomparable. We have missed Mr. Lowe these last few years and on inquiry found he had 'gone to the mainland.' Some golfers returning from Annandale through Glendale to Los Angeles found him in a peculiar way the other day. They were arrested for speeding, decided to take their medicine at once and found the judge to be our old friend F. H. Mutual surprise and—well, he wasn't too hard on them. 'Judge' Lowe looks as if Glendale and life on the ranch he has acquired agree with him."

WILL SHAKE WORLD

GLORY OF CHRIST'S COMING WILL OUTSHINE SUN ITSELF, SAYS EVANGELIST PROUT

That Christ never will return to the world in the secret seance, in the desert, or in any stealthy manner, that He will not come as a visionary being, a phantom, or a will-o-the-wisp, but will return literally, physically, personally, accompanied by God the Father, and myriad hosts of heavenly angels, wrapped in glory far greater than the light of even the sun itself, was the declaration of Evangelist C. S. Prout, in his discourse at the gospel pavilion, Central avenue and Harvard street, Tuesday night. Tonight the subject will be, "Speed Mania of This Century Foretold by the Prophet; Speed Limit Set 2700 Years Ago."

Mr. Prout emphasized the assertion Monday night, that it is the same Jesus who will return as lived among men nineteen centuries ago, was crucified, raised again to life, and ascended to heaven. The speaker used many Scripture references to prove his statements, among them being Acts 1:9-11, "And while they beheld, He (Christ) was taken up; and a cloud received Him out of their sight. And while they looked steadfastly toward heaven as He went up, behold, two men stood by them in white apparel; which also said, Ye men of Galilee, why stand ye gazing up into heaven? This same Jesus, which is taken up from you into heaven, shall so come in like manner as ye have seen him go into heaven."

"Jesus went away physically, literally, visibly," said Mr. Prout. "The same Jesus will return in the same way. Behold He cometh with clouds, and every eye shall see Him, is the record of Revelation 1:7."

"Most people do not question the fact that Jesus once lived upon the earth. We not only have the Bible record of His life, but we can turn to historians like Josephus and there read concerning Him. Josephus says many people considered Jesus divine, and that He certainly was a popular man and received a great deal of notice."

"Christ appeared to His disciples on numerous occasions after His resurrection, and they knew Him. The day of His resurrection He came to Mary, and as soon as she saw Him through her tear-dimmed eyes, she exclaimed, 'Master.' Again, He walked from Jerusalem to Emmaus with two of His disciples, and later the same evening appeared to a company of the disciples as they were assembled in an upper room. There He ate before them, and offered them substantial proof that He was indeed their risen Lord."

"In the descent of the Holy Spirit at Pentecost and the wonderful events and miracles that followed, assurance was given the disciples that Christ had indeed taken His place at the right hand of His Father, and that as He assured them in Matthew 28:18, all power in heaven and in earth had been given Him. The most wonderful fact of history is that Jesus is not a dead Saviour, but a living Christ, One who is touched with the feeling of our infirmities, and who 'ever liveth to make intercession' for those who turn their hearts to Him."

"Christ is coming soon, but when He comes it will be an event of far greater importance than many realize. He Himself tells us in Luke 9:26 that He will come in His own glory, in His Father's glory, and in the glory of all His angels, the number of whom we are told in Revelation 5:11 is 'ten thousand times ten thousand, and thousands of thousands.' The grandeur of that event will far eclipse anything this world ever has seen."

"Specific warning against the deception of desert 'Christ's,' and secret chamber 'Christ's' is given by the Saviour in Matthew 24:23-27, where He says: 'Then if any man shall say unto you, Lo, here is Christ, or there; believe it not. For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; inasmuch that, if it were possible, they shall deceive the very elect. Behold I have told you before.'

"Wherefore if they shall say unto you, Behold, He is in the desert; go not forth: behold, He is in the secret chambers; believe it not. For as the lightning cometh out of the East, and shineth even unto the West; so shall also the coming of the Son of man be."

"Christ's feet will not touch the earth when He comes the second time. We are told in Matthew 24:31: 'They shall see the Son of Man coming in the clouds of heaven with power and great glory. And He shall send his angels with a great sound of a trumpet, and they shall gather the followers of Christ, from the whole world.'

"The Apostle Paul, in First Thessalonians 4:15-18, gives the same assurance, and vividly describes the resurrection day, when tombs will be burst open, and many receive life and immortality."

Mr. Prout said he has decided to speak next Sunday night on "Where Will We Spend the Millennium?"

"I see that a ship was christened with crude oil the other day." "Christened? You mean sham-pooed, don't you?"

HOLSTEIN HERD OF JAMES E. PECK OF CALEXICO IN MONEYED CLASS

Southern California is beginning to plume itself on its assets in the way of highly-bred dairy cattle of distinguished lineage which promise to make this section a breeding center. To the initiated the sale of a Holstein bull at St. Paul, Minnesota, recently for \$50,000 which was heralded over the United States and Great Britain is of local interest because several animals of the same breeding strain are owned in this part of California. James E. Peck, of Calexico, son of Mr. and Mrs. C. E. Peck, of this city, is one of these fortunate cattle owners. In his herd is a half brother of the \$50,000 bull by the same sire which gives great promise of rivaling his distinguished relative. Though but five months of age he is valued at \$15,000. Mr. Peck also owns a half brother of the bull recently purchased by Anita Baldwin for \$41,000. As a dairy district the Imperial Valley is fast coming to the front and it is a matter of satisfaction to producers there to know that they now have local facilities for breeding up herds as fine as any of which the east or middle west can boast.

Mr. Peck's herd numbers something over sixty registered Holstein heifers and calves and it includes the dam of a three-year-old which sold this spring for \$10,000 and which is one of less than a dozen animals that have reached the milk-producing mark of 30,000 pounds for a year.

Mr. Peck disclaims any particular credit for his acumen in assembling such a herd and modestly attributes it to good luck, but his friends declare it is due to thorough, careful study and good judgment.

GETTING IT OVER

It was the week before little Willie's birthday, and he was on his knees at his bedside petitioning Providence for presents in a very loud voice.

"Please send me," he shouted, "a bicycle, a tool-chest, a—"

"What are you praying so loud for?" his younger brother interrupted. "God ain't deaf."

"I know he ain't," said little Willie, winking toward the next room, "but grandma is."

Mr. and Mrs. Eugene Wilson and children of 371 West Broadway, also Mrs. Wilson's mother, Mrs. E. L. Wood, of 320 West Broadway, spent last Sunday at Ocean Park.

Mrs. J. Turney English of Carrollton, Ill., accompanied by her two sons, is spending the summer with her sister, Mrs. Wm. Hedges, 121 East Park avenue.

Contractor Henry A. Michel has taken out permits for the erection of a 5-room residence at 428 Salem to cost \$3500, and one of 5 rooms at 455 West Wilson avenue to cost \$4000.

Col. Tom Thornton of Brand and California avenue left for San Francisco this morning to see to it that McAdoo and Cox are nominated by the Democratic National Convention, he said.

Mr. and Mrs. W. R. Cleveland, former residents of Glendale, are guests of Mr. and Mrs. G. B. Singleton of 318 West Wilson. The Cleverlands plan to locate in Glendale again.

Mrs. C. E. Hutton of 326 East Colorado will start next Wednesday on an extended pleasure and business trip to Eastern points—St. Louis, Warsaw, Ind., Atlanta, Ill., and other cities.

Dr. C. L. Marlenee and Dr. Floyd Johnson, his new assistant in the Glendale office, motored to San Bernardino on business the early part of the week. Dr. and Mrs. Johnson are seeking a home in this city.

Edgar Lloyd Smith and family moved out yesterday and today from Los Angeles, occupying the property they recently purchased at 504 Fairmont avenue. They go to San Diego to spend next Sunday.

H. Van Benthussen of 403 East Chestnut street, while working on a building for the Portable Construction Company of Los Angeles, was seriously injured when a roof on which he was working caved in. He was taken at once to the California Hospital where he is having the very best of care.

The Bentley-Schoeneman Co. is commencing two residences for which permits were taken out Tuesday. One is of four rooms, at 608 Geneva street, for F. D. Buckland, to cost \$3000, and the other of three rooms at 625 East Colorado for Harry Von Feld, the contract price of which is \$1500.

W. B. Wilson and his sister, Mrs. Hannah Aholtz, who have been living at 118½ North Cedar, will move to Los Angeles next week, much to their regret, being unable to find a place to move to in Glendale. Mrs. Abernathy and two children, who have been living with them for several months past, will accompany them. All hope to return to Glendale in the near future.

Judge and Mrs. V. H. Richardson of San Diego are spending a week with Mr. and Mrs. D. Nicholson, 1024 N. Central Ave. They are both charmed with Glendale and but for the Judge's official position and large law practice in San Diego county, it would be hard for him and his wife to resist the temptation to move to this city, as several from San Diego have done this year.

Mr. and Mrs. West, parents of Mrs. Hartley Shaw, who have been living in Los Angeles but who are building a home on West Park avenue opposite the Shaw residence, will move to Glendale Saturday. Their house is not quite ready for occupancy and they will be guests of the Shaws for a few days, but they are compelled to surrender the house they have been occupying to the incoming tenant.

Mr. and Mrs. A. J. Harrison of 126 W. Garfield Ave. moved Tuesday into their new home recently purchased at 126 West Chestnut St. Mr. Harrison is enjoying a two weeks' vacation from his duties at the telephone office in Los Angeles and he and Mrs. Harrison leave today for Balboa, where they will be joined on Saturday by their son, Harlow Harrison, who will motor over returning to Glendale with them the first of the week.

Mr. and Mrs. Geo. E. Larkey of 1305 N. Central Ave. started yesterday in their auto for San Francisco to attend the Democratic National convention which opens Monday next. Mrs. Larkey is delegate alternate from the 9th congressional district and will represent in the convention deliberations the Los Angeles Co. Democratic League. She feels that America's greatest asset is the children of the country and that there should be a National Department of Education, the secretary of which should be a member of the President's cabinet.

J. W. Hays and family have moved from 125 East Eulalia to Escondido, where they purchased a five-acre ranch.

Paul Richardson, son of Mrs. Ella Richardson of Riverdale Drive, arrived from the north at 11 p. m. Wednesday and was met at the train by his mother and Miss Beatrice Hellyer with an auto. His brother, Burt Richardson, left earlier in the day for New York City where he has accepted a position with the U. S. Steel Company.

GREAT BUILDING PROGRAM

H. E. Rommel, representing a large contracting firm of Louisville, Ky., has purchased from the Glendale Realty Company all their remaining lots on North Isabel in the Bellehurst tract and will begin at once the erection of many modern residences, all of high-grade construction and they will be pushed to early completion. As the Glendale Realty Company now has but a very few lots left in the Bellehurst Tract they will at once proceed to open up Bellehurst Tract No. 2 and put in streets and curbs, in fulfillment of their recent promise to build a large number of homes for the accommodation of the many newcomers to our city. Many of these homes have already been spoken for, the company says. A great many families have been turned away from Glendale in the past few months because of the lack of accommodations for them, so it is probable that new residences will be disposed of as fast as they can be completed.

Mr. Rommel has been in the contracting and building business for many years and has made a study of the kinds of homes in greatest demand. He made thorough investigations of building conditions and needs in all the cities suburban to Los Angeles, and decided that Glendale offered the greatest advantages.

GEORGIA PEOPLE LOCATE IN GLENDAL

Elbert Rumble and wife, who recently came to Glendale from Goggansville, Ga., to visit relatives, the McBryde and Fambrough families, have decided to make Glendale their home. This is not their first visit here, but it seems to have been the deciding one. They recently sold their 2000-acre ranch near Goggansville, one of the finest between Atlanta and Macon, Ga., and are now prepared to spend the remainder of their days in beautiful Glendale, much to the satisfaction of their relatives. They have bought C. J. Letts' place at 111 North Central avenue, which was owned and occupied for several years by Mrs. S. J. Mosher and family.

CHRISTIAN CHURCH DOINGS

Pastor Clifford A. Cole took an auto load of food and clothing to the Long Beach Christian Home for Old People Tuesday, as the annual contribution of the Glendale Church to this worthy cause. He reports that a 12-room addition is soon to be built to the Home.

Fifty-five people were served Wednesday night at the weekly church supper. The Bible study conducted by Rev. Cole, on the book of Daniel, was intensely interesting. The pastor frankly confessed that he could not explain all the prophecies in the book, especially those which seem to refer to present and future times. He said he had read eight different interpretations, each of which claimed to be the only genuine one, so he left it to the good sense of his hearers to determine the meaning of the same. The prayer meeting, led by S. W. Christy, was on the subject, "Our Country Great Through Service." The leader brought out many good thoughts on the topic.

The annual Sunday School picnic will be held Saturday at Brookside Park. A truck and private autos will take the pupils and teachers over, starting from the church at 9 a. m.

HIKE OF TROOP NO. 3

Scout Executive Kellogg reports a pleasant and very successful hike made by Troop No. 3 under his leadership. The party left at ten o'clock Saturday morning on a Montrose car and went to Akin's ranch above Montrose. In the canyon there they camped spending a good part of their time swimming in the old reservoir. That night they had a camp fire and enjoyed camp-fire games. At 4:30 a. m. they took a short hike up the canyon before breakfast. After breakfast there was camp inspection and half an hour was devoted to Scout Church. From 8 a. m. to 9 the boys enjoyed another swim and at 10:50 caught the Montrose car, getting home at noon.

ACACIA MOTHERS' CLUB

The closing meeting of the Mothers' Club of the Acacia Avenue School was held the last day of the term, and was in the nature of a luncheon for the teachers. The history of the school from the time of its birth, 1915, was read and greatly enjoyed. The president, Mrs. Strong, made quite a speech and also explained that the little spread which was being enjoyed was given for the teachers as a small means of showing appreciation of their efforts in behalf of the children. The teachers, Miss Cornwell and Mrs. Bullis, each made a little speech thanking the mothers. Everyone present had a very enjoyable, happy time; the Victrola was played and there was much laughter and gay repartee throughout the entire luncheon. Good-byes were said regretfully and the wish was expressed that everyone would make a special effort to be present at the opening meeting in the fall.

YELLOW AND WHITE DINNER

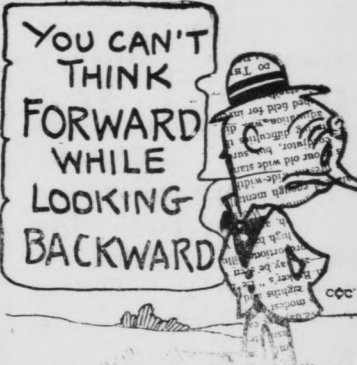

Miss Mildred Singleton was the hostess at a delightful dinner given Monday night at the home of her parents, 318 West Wilson, in honor of Miss Emily Blackman, a fellow member of the graduating class of the high school, who will leave immediately after commencement for Michigan.

The decorations of the table, place cards and dainty favors which were baskets of Scotch Broom to which the place cards were attached, were carried out in yellow and white, as well as the menu as far as possible.

Covers were laid for Misses Eltha Harding, Lelia Whitehead, Helen Woods, Marjorie Singleton, the guest of honor, Miss Emily Blackman, and the hostess, Miss Mildred Singleton.

MISS MARTHA BIBB

MRS. E. W. HAYWARD GIVES RECEPTION FOR FIANCEE OF HER SON

The home of Mrs. E. W. Hayward, of 307 North Kenwood, was the scene of a delightful reception Wednesday afternoon to introduce Miss Martha Bibb, of Pasadena, the charming young woman who is soon to become the bride of E. Payson Hayward, son of the hostess. In the receiving line with the guest of honor were her mother, Mrs. John Bibb, and her sister-in-law to be, Mrs. Julian S. Hayward. Assisting the hostess in the dining room were her sister, Miss Clara Stevens, Miss Selma Cate of Tacoma (a special friend of Miss Bibb who will be her bridesmaid), Miss La Vera Kitterman and Mrs. Frank Ayars of Glendale, and Dr. Edna Hatcher of Pasadena, a prospective bride.

Yellow margarites centered the table in the dining room where two courses of very delicious refreshments, all prepared by the accomplished hostess, were served. The motif of the reception was suggested by bride and groom figurines, upon the table, the toy bride holding a for-get-me-not bouquet, as will the honoree, when her wedding day arrives.

Elsewhere in the dining room and reception parlor were jars filled with tall, unusually beautiful spikes of light and dark blue larkspur in combination with pink gladioli. Guests came and went, greeting with pleasure the girl whom they soon expect to welcome as a matron, and joining animated groups chatting over summer plans. All visited the charming garden in the rear of the house before saying adieu to Mrs. Hayward and the ladies in the receiving line.

The guest list included besides the ladies already mentioned: Miss Myra Smith of Los Angeles, Miss Mary Floyd of Hollywood, Mrs. Charles Hutchinson, Mrs. Needham, Mrs. L. N. Hagood, Mrs. Charles Parker, Mrs. Thayer of Oklahoma, Mrs. Mabel Franklin Ocker, Mrs. Franklin Head, Mrs. Goldthwaite, Mrs. George Adams, Mrs. Anna Williams, Mrs. Annie Williams, Miss Williams, Mrs. George Rowe, Miss Nellie Rowe, Mrs. E. H. Willisford, Miss Willisford, Mrs. Dunn, Mrs. James McBryde, Mrs. O. E. Walker, Mrs. Frederick Field, Miss Field, Mrs. Flora Pixley, Miss Olive Pixley, Miss Gertrude Gibbs, Mrs. Kitterman, Mrs. Chester, Miss Esther Jones, Mrs. A. W. Tower, Mrs. William McPherson, Mrs. Frank Balthis, Mrs. Herbert Balthis, Mrs. Durham Porter, Mrs. O. E. Von Oven, Mrs. Frank Peters, Mrs. Harriet White, Mrs. Arthur Dibbern, Mrs. A. M. Beamon, Mrs. Bert Woodard, Miss Helen Borncamp, Mrs. George Nickum, Mrs. H. L. Baker, Mrs. E. H. Bartlett, Mrs. J. P. Harvill, Mrs. Clare Turner of Los Angeles, Mrs. Leighton Greenwood of Los Angeles, Mrs. Isaac Millbank of Los Angeles, Mrs. Horace Butler and Mrs. Crosby of Connecticut.

IMPRESSIVE COMMENCEMENT

Mrs. Clyde Monroe Crist reports that the Commencement at Pasadena High School, from which their son, Kenneth, has just been graduated, afforded a most impressive spectacle. The largest class turned out by the high school of any city in Southern California outside of Los Angeles was here graduated and numbered 329 young men and women, all of whom were seated on the platform which was extended for the occasion. When the curtain went up the girls were discovered in the center, uniformly dressed in white with the boys in black at the rear and sides making a dark frame for the white center. Girls of the junior class garbed as shepherdesses who acted as ushers, carried long crooks from which were suspended baskets of flowers and these made an aisle through which the graduates marched to the stage.

Musical numbers were furnished by the orchestra of Pasadena High supplemented by a harpist, flutist and cellist from the Philharmonic Orchestra of Los Angeles. The graduates were permitted to receive flowers and after they had been delivered by the shepherdesses the stage was like a garden with the graduates hidden behind the floral bank.

The only members of the class who participated in the program were the class president and the val-

edictorian. Mr. Wilson, principal of the school, presented the class to Mr. West, Superintendent of Schools, and he, in turn, presented it to Mr. Bickley, Chairman of the Board of Education. Knowing that Mr. Wilson is resigning on account of ill-health, Mr. Bickley addressed him, saying: "You came in with the class and are going out with the class and to you I delegate the honor of presenting the diplomas," a pleasant task which Mr. Wilson accepted and performed. They were elaborate affairs of vellum and parchment and it took an hour and a half to distribute them.

church under present conditions and he could not be satisfied to have it stand still, therefore desired to be free.

It will be a satisfaction to his many friends to know that he and Mrs. Willisford, who has been his efficient co-worker in all the phases of his pastorate here, will, for the present at least, continue to make their home in Glendale to which both are deeply attached. They have always taken an active interest in the affairs of the community and been ready to lend a hand in promoting any movement for civic betterment regardless of church or denominational lines. With the same liberal spirit they have been friends in need to many and their home has always been open to the unfortunate. They have seen Glendale grow from a village to a city of importance and feel so deeply rooted here they have little inclination to make a home elsewhere.

Dr. Willisford is considering several openings, but says he is not prepared to announce his plans at this time.

Although he will be in his pulpit more or less till August 1st, Dr. Willisford will preach his formal farewell sermon Sunday morning.
